## FOREST FIRE WARDEN'S REPORT

---

### DANGER FROM FIRES IN WOODLANDS

Woodland litter, when dry, is highly inflammable and fires can quickly get out of control. We request your cooperation to control all fires so that lives and property may not be endangered or destroyed, and forests may be kept green to furnish the natural beauty we all enjoy and to grow timber we will need.

### WHAT IS "WOODLAND?"

The term "woodland" is defined by law to include, "cut-over land, slash and such other land as bears a sufficient amount of wood growth, wood, weeds, grass or other growth as to be likely to be burned over."

WHEN IN THE WOODS, YOU ARE EXPECTED  
TO EXERCISE CAUTION IN THE USE OF FIRE  
AND TO REMEMBER THAT

### IT IS UNLAWFUL TO

Throw down lighted matches, cigarettes, or other burning substances from vehicles or otherwise.

Burn brush, rubbish, grass or other materials when the ground is not covered with snow, without written permission from the Forest Fire Warden.

Kindle a camp or cooking fire on land of another without permission from the owner or his agent.

Leave an open fire burning unattended.

Fail to report a forest or brush fire that is out of control.

## **VIOLATORS ARE SUBJECT TO THESE PENALTIES**

Anyone letting a fire escape from control, whether or not he has a permit to kindle the fire, is liable for the costs of extinguishing the fire.

Anyone found guilty of dropping inflammable material in or near woodland shall be fined not more than \$25.00.

A person failing to report an uncontrolled brush or forest fire is liable to a fine of not more than \$10.00.

For kindling a fire in woodland of another without permission of the owner, or for kindling any fire without a permit when a permit is required, a person may be fined not more than \$200.00, or imprisoned 60 days.

## **DAMAGES**

Every person who shall set fire on any land, that shall run upon the land of another, shall pay to the owner all damages done by such fire.

## **BE SURE—GET A PERMIT**

Incinerators should be tight, with a close mesh screen, and be on clean ground.

Open fireplaces used to burn rubbish are classed as incinerators.

Always clean a space about any open fire to prevent its spread.

Never burn in dry, windy weather.

Have incinerators inspected by the Forest Fire Warden and get his written permission.

Permits, 214; fires, 3; acreage burned,  $\frac{3}{4}$ .

WALTER R. SMITH, Town Warden.

ROBERT B. SMITH, District Chief.

## B. REPORT FROM YOUR SUPERINTENDENT

It is a pleasure to make my annual report to the people of Tuftonboro, for you do have a splendid school wherein your boys and girls are getting a good foundation.

We have an experienced and conscientious staff. Three of them are your neighbors—folks who have lived in your community and know the needs of your children as members of your town. Mrs. Thelma Colby has served you faithfully for many years, and yet is one of the first to consider a new idea or method. Mrs. Alice Whitehead gives unstintingly of her energies to the primary children, and treats them as though they were her own.

Mrs. Marion Mitchell is conscientious and hard working, with a special talent for the artistic.

Mr. Donald Elsemere, our young principal, is serving your communities in many ways. Most important, he is a thorough teacher, very much concerned with the acquisition of fundamental skills. He is also interested in art work, and has considerable ability to share in drama and music. He is meticulous and prompt with administrative details. Work in your church and with the scouts has increased his value to us. I am sure he is grateful for your special effort, financially, to retain him this year. However, I am afraid that the “greener pastures” of a larger system beckon irresistibly.

We try to develop our boys and girls in many directions. Of first importance is their school citizenship. Good habits of conduct and consideration for the rights of others is a continual lesson. Skills in arithmetic, reading, writing, spelling and knowledge of our social natural environment are taught at all levels of maturity. Miss Virginia Jackson supervises our music instruction and we supplement her guidance daily with

classroom practice. Mr. George Morse and Mrs. Violet Armstrong spend half a day each week, training boys and girls in woodwork, handicraft, serving, cooking and household skills.

We are now using our auditorium a great deal more for physical training. I want to especially commend the efforts of Richard Lester, who gives up a large share of his weekends to help our boys in basketball and baseball. He receives no remuneration, except the personal satisfaction of seeing awkward boys develop better coordination and athletic skills.

Some of our boys and girls need special help. We have employed Mrs. Helen March, who has such a sympathetic understanding of children, to give part-time instruction to individuals and small groups. We are paying a nominal sum for the time she devotes from savings in the tuition appropriation.

We serve practically 100% of our children wholesome dinners at the price of 20c daily. Mrs. Thelma Wiggin prepares excellent dinners at a minimum cost. Mothers who volunteer their time to help in the kitchen and the people who attend our annual harvest dinner make this very low price possible.

All the paint and repair in the world is useless, if our building is dirty and unsanitary. I am particularly pleased, therefore, with the appearance and cleanliness of our property. Mr. Fred Bain, frequently with the help of Mrs. Bain, maintains our floors, walls, toilets, basements, attics and storeroom in the top condition of order and sanitation. I am so proud of your facilities in this respect. In addition, Mr. Bain makes many repairs to school equipment, saving the employment of outside help or the purchase of some new equipment. Though we now buy our coal at wholesale, with a saving of several dollars a ton, it is Mr. Bain who gets the most heat from a lower quality fuel.

A great deal of consideration is given to the health needs of our boys and girls. Through the leadership of our nurse-teacher, Mrs. Nancy Bean, and the services of our school physician, Dr. Gregory, our children receive thorough physical examinations. Parents are informed of physical needs. Clinics of many kinds are promoted annually, with much more credit due the Wolfeboro Public Health Nurses' Association. In fact, it would be hard to name an additional service we could possibly add.

Mrs. Priscilla Baxter, Mr. Lester Thompson and Mr. Ross Adjutant continue to provide safe and comfortable transportation. Mr. Frank Stockman provides a feeder route for the children in this area of town. We cannot take these services for granted, as they are very important to the smooth operation of our school.

Although I do miss the years of association and guidance of former board members, I wish to commend the work of the present board members. Mr. Edward Kurth, Mrs. Olive Anderson and Mr. Richard Lester give unsparingly of their time to make policy and supervise the operation of our school system.

We are now faced with the need of providing more classroom space. The size of our classrooms and the effectiveness of teaching, dictate a maximum of 25 pupils for each room. We are exceeding that maximum now. I believe, too, that we should limit each room to two grades. This year we found it necessary to have three grades in one of the rooms. Next year, two rooms will have three grades. Our projection of the census and actual enrollments show that 1958-59 will be the critical year, with a definite requirement for more space.

Recently we held a meeting with representative citizens. I support their conclusion, that we should employ an architect to draw up several solutions and be

prepared to vote an addition at an adjourned meeting this summer.

It is true that our pupil cost is higher than the average for New Hampshire. Superiority cannot be purchased at a low price. Our teachers' salary appropriation is minimum, when we consider the quality of our teachers and the nation-wide demand. We purchase many supplies on bid. Local tradespeople usually are considerate in their charges for service. Appropriation requests are not padded, although we must estimate many months ahead in an uncertain market. We should occasionally consider our good fortune in having a fine school in a relatively favorable tax situation.

I continue to be grateful for your support.

JOHN W. DAY,

Superintendent of Schools.
